CHART SYNTHESIS

> Integrate traditional factors (dignity, sect, angularity) with modern psychological insights. "What is this chart capable of producing? How does the native experience these energies?"

Strongest Planets (by dignity & position):

Key Themes & Life Patterns:

Areas of Challenge (debilitated planets, out-of-sect malefics):

REFLECTION QUESTIONS

1. Which planet has the highest essential dignity? How does this manifest in the native's life?

2. Is the chart benefic (Jupiter/Venus strong) or malefic (Saturn/Mars dominant) in overall tone?

3. What do the angular planets reveal about the native's public life and core drives?

4. How do sect conditions modify the expression of benefics and malefics?
